About Mineworx

Mineworx is positioned for growth through partnerships with advanced mining projects as well as E-Waste opportunities through its collaboration with EnviroLeach Technologies. By utilizing its patented and patent pending environmentally friendly portable extraction technologies along with its licensed non-toxic, cyanide free precious metals formula these innovations will increase and enhance business opportunities by deploying cost effective, extractive metallurgical solutions.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
