

Mineworx Announces Corporate Update Webinar

SURREY, British Columbia, November 19, 2020 – Mineworx Technologies Ltd. (the “Company” or “Mineworx”) (TSXV: MWX, OTCQB: MWXRF, FSE: YRS WKN: A2DSW3) today announces that it will host a Zoom webcast and conference call to discuss the company’s recent announcement on the advancement to the pilot phase of its diesel catalytic converter recycling plant.

Topics to be discussed include the following:

- Market need for diesel catalytic converter processing of platinum and palladium,
- Economics of full scale production from its first facility,
- Timeline for the construction of its first full scale facility following successful pilot testing,
- Mineworx’s proprietary processing technology.
